Foreign exchange policy: this is detailed in your final quote.

In essence: where Marieke's Art of Living is invoiced in foreign currency for your land and/or air arrangements:

We determine the Australian Dollar value of your arrangements, in order to calculate the deposit required to secure arrangements, the applicable exchange rate at the time of quoting will apply.

Australian Dollar payments to Marieke's Art of Living will then be converted to foreign currency on receipt of payment at the exchange rate on the day cleared funds are paid on your behalf to our foreign operators.

Should there be further fluctuations between advising the Australian Dollar payments due and receiving the monies in Marieke's Art of Living company's bank account, the invoice will be adjusted to reflect such fluctuations.

Paying in AUD please Note: It is the case that it takes some days for the funds to clear into my bank. When I am then able to remit funds Overseas on your behalf, the exchange rate may have shifted, in which case we will invoice the difference. Unless of course you have remitted in USD/Euro, in which case the rate is fixed, irrespective of the time frame.

When purchasing currency, the Bank Sell rate is used - i.e. the bank is 'selling you USD/Euro'. This is a different figure to that quoted in the press which is the Bank Buy rate.

OFX tend to give better rates than the major banks. <https://www.ofx.com/en-au/> Many of my clients have availed themselves of an easy to set up online OFX account that eliminates bank fees and usually gives a better rate than the major banks.

We cannot accept USD or Euro cheques as these take up to 8 weeks to clear.

Credit Cards - if you choose to pay by credit card, we reserve the right to charge the applicable merchant fee imposed by the credit card companies. For payments by Visa or MasterCard a 2% fee will apply. Platinum Cards etc are charged at a higher rate. For payments by American Express a 3% fee will apply. These fees are calculated on the total transaction value. The respective fee is added to the total value of the arrangements.

I am providing the following Deposit of: _____

As direct bank transfer to Marieke's Art of Living ANZ Online Client Trust Account in AUD

As international bank transfer to Marieke's Art of Living Citibank Multicurrency account in USD or Euros.

In recognition that this is a slightly cumbersome process, we are also happy to negotiate a credit card guarantee for the deposit. The credit card is then only activated in accordance with the strict terms and conditions of the policy outlined above, that is, if you cancel within the specified time frames after initially having placed your booking. This would be charged in AUD at the prevailing USD/Euro exchange rate at the time. With this option, clients need only effect one TT at the time full payment is due, thereby attracting only one set of fees.

I would prefer to provide a Credit Card Guarantee understanding this will only be activated according to the Terms and Conditions of Booking Below. The details are:

Type of Credit Card: _____ Credit Card # _____

Name on Card: _____

Date of Expiry: _____ Security Code: _____

Fitness + Medical requirements: Most of our tours require guests to be in good health with good mobility. Fitness levels for tours are indicated in the tour descriptions. It is important both for you and for your fellow travellers that you are fit enough to be able to enjoy all the activities on your designated tour. Most of our programs tend to feature extended walking tours and site visits, which require greater fitness than coach touring. We ask you to consider carefully your ability to meet the physical demands of a tour that might include uneven terrain, slopes, negotiating stairs and periods of standing, the capacity to move your luggage short distances, embarking and disembarking from coaches and planes that have no air-bridge.

If you have any questions about or are concerned about your ability to meet the requirements of the trip, please contact us for further information and to consult your medical practitioner for an honest assessment.

I declare that I am in good health, reasonably fit and mobile. YES NO

I wish to discuss pre-existing medical conditions/mobility issues to assess my suitability for a tour or special requirements I may have. **Please give details:**

I hereby acknowledge and agree to the terms and conditions outlined herein for the Tour.
